The Extended School Care (ESC) program offers Westminster Catawba Christian School students fun-filled times in a structured, enrichment-oriented environment. The program provides students with many opportunities including active sports, creative arts and crafts, story times, movies, and much more. ESC exists to maintain a secure Christian environment for students Infant through 8th grade during the hours between school and home.

The program is staffed by qualified teachers and assistants, with a student-teacher ratio of no more than 10:1. Dedicated classroom space provides facilities for several multi-grade divisions. Each day students receive a nutritious snack to recharge their energy. In grades one through eight, homework assistance is available and students are encouraged to complete assignments during the designated time.

WCCS authorizes supervision of students from 7:00 a.m. until 6:00 p.m.

EarlyArrival: Any student arriving before 7:30 a.m. is considered an early arriver, resulting in a fee. Supervision is available from 7:00-7:55 a.m. each morning.

AfterSchoolCare: This service is available on a regular or drop-in basis from 2:40-6:00 p.m. Students registered for regular care are charged based on a fixed monthly fee. Students that use the drop-in care pay an hourly rate and **MUST** make arrangements in advance through the ESC Director to ensure space availability.
