

## Ways to Help Our School!

**Give to the Annual Fund** – The Annual Fund is the cornerstone of giving for our school, helping to cover the expenses not covered by tuition. This is the difference between affordable tuition and the actual cost to educate each child. Donors have the satisfaction of knowing that their contributions provide daily support that touches all students by meeting the school's most pressing needs. To give to the annual fund, visit [www.wccs.org/support-wccs](http://www.wccs.org/support-wccs) or contact the Development Office at 803.328.5472.

**Restricted Giving** – Restricted Gifts are directed to specific projects or departments within the school. These might include athletic, fine arts, in-kind or other gifts. If you have a particular area you would like to direct your donation, please contact Jane Wilson in the Development Office at 803.328.5472 or visit [www.wccs.org/support-wccs](http://www.wccs.org/support-wccs).

**Corporate Sponsorship** - The primary objective of this sponsorship program is to allow businesses to have the opportunity to advertise in all possible areas at WCCS. It also allows businesses to create their own advertising packages to custom fit the various areas they desire to support. The best part is that all of our students benefit because all areas of programming are financially impacted. For more information regarding our Corporate Sponsorship Program, please visit [www.wccs.org/support-wccs/corporatesponsorship.cfm](http://www.wccs.org/support-wccs/corporatesponsorship.cfm) or contact Jane Wilson, our Corporate Sponsorship Coordinator at [jwilson@wccs.org](mailto:jwilson@wccs.org).

- **Labels for Education (LFE) and Boxtops for Education** – Place these items in a plastic baggie, write your teacher's name on the bag (if you want your child's class to get credit towards an ice cream party) and send them in to school via your student. Please go to [www.boxtopsforeducation.com](http://www.boxtopsforeducation.com) for a list of the various products that qualify. Please note that the LFE program is only accepting UPCs now (they no longer accept front panel labels)
